

## ESL Game: Half

As soon as he walked into the room....

I'm have a some trouble deciding what to...

One Sunday morning late in the afternoon...

If you want to loose all your friends...

All through history....

Nobody know who really...

If you climb to the top of a mountain...

I believe that everyone in the world should...

Everybody started laughing because...

Someday I will...

If I had enough money I would...

Given enough time the world ....

If I had known what I know now...

If everyday was Sunday I would...

May tomorrow I will...
