

## First Conditional Bingo

**Grammar Focus:** First Conditional

**Level:** Elementary to Pre-intermediate (CEFR: A1 - B1)

**Time:** 10 - 15 minutes

**Method:**

1. First review the first conditional form with students.
2. Print out the bingo cards.
3. Explain that each student will be given a bingo card with six boxes. Student will need to listen carefully and if they hear two halves of first conditional sentences that match they can cross out that box on their card. Students should call 'line' if they complete one line and 'bingo' if they complete all boxes. The first to say 'bingo' is the winner!
4. Before you begin, make sure students take time to read their sentences.
5. Do the first sentence as an example with the whole class.
6. Read out the first half of the sentences below in order or in any order you want. If you do them in a different order, make a note of which sentences you use so you can check the answers later with students.
7. When a student calls 'Bingo' ask the student to read out their halves of the sentences to make sure they are correct.
